

Producer/Project Manager for 'Drive Ahead!' Games

Dodreams Ltd., Helsinki, Finland

Dodreams makes mobile gaming a fun experience you share with friends. We're the makers of 'Drive Ahead!', a hit gladiator car fight game with nearly 28 million downloads and 1 million daily active users. As Producer/Project Manager, you will oversee the development and publishing of Dodreams' games on time and within budget.

Your Tasks

- Form a development roadmap for games as a member of the studio's Executive Team
- Develop and maintain production budget and schedule to ensure meeting milestones
- Track creative and technical development of selected tasks in each production sprint
- Facilitate quality assurance, testing and localization
- Coordinate release schedule with marketing and community management
- Forecast and eliminate potential bottlenecks in production pipeline
- Plan licensing and merchandising with the studio's Executive Team
-

Our ideal candidate has project management experience from gaming or software development. You have the ability to manage people as well as time and resources. You can maintain and reach targets and deadlines within our rapid development cycle.

Requirements

- Proven track record of 3-5+ years with project coordination, production or product owner responsibilities
- Well organized with strong social skills and the ability to influence and inspire teams across the studio
- Fluent or native English
- Strong negotiation skills with external partners and stakeholders
- Knowledge of game genres and business or experience in developing mobile online multiplayer games is a must
-

We offer you a unique opportunity to play a central role in cementing the success of the Drive Ahead! brand as we build it into a game franchise. You'll be working with our talented and passionate team of 17 professionals in exploring new opportunities and ensuring top-notch releases at our offices in downtown Helsinki, Finland.
